❖ LANGUAGES

- English (Intermediate)]
- Bengali (Native)
- Hindi (Basic)

CAREER OBJECTIVE

To work hard in an organization with full determination and dedication to achieve organizational as well as personal goals and enough good to deal with others. I achieved 4 Web development Certificates from different courses and I finished 220+ practice projects and 158+ real time projects for last company. I am a quick learner and good at with debug.

EXPERIENCE

I have over three years of strong web development experience, specializing in both MERN (MongoDB, Express.js, React, Node.js) and PHP. My journey began with a passion for creating dynamic web applications, and I have honed my skills through various projects and challenges.

At Master IT, I collaborated with a talented team to develop scalable and efficient web solutions, leveraging the power of the MERN stack. My role involved designing and implementing RESTful APIs, managing databases with MongoDB, and crafting responsive user interfaces using React. I focused on optimizing performance and efficient web solutions, leveraging the power of the MERN stack. My role involved designing and implementing RESTful APIs, managing databases with MongoDB, and crafting responsive user interfaces using React. I focused on optimizing performance and ensuring seamless user experiences.

In addition to my work with the MERN stack, I have extensive experience with PHP, which I utilized to build robust back-end systems and content management solutions. My proficiency in PHP frameworks, such as Laravel and CodeIgniter, has enabled me to create feature-rich applications that meet diverse client needs.

Throughout my career, I have embraced continuous learning and improvement, participating in workshops and online courses, including those offered by Programming Hero. This commitment to professional growth has equipped me with the latest industry trends and best practices, allowing me to deliver high-

EDUCATION QUALIFICATION

Certificate	Group	GPA/CGPA	Passing Year	College/University
SSC	Science	4.06 out of 5	2018	Dadra High School
HSC	Science	4.08 out of 5	2020	Jamalgonj Degree College
Diploma IT	Software engineering	3.56 out of 4	2023	The European Open University
